MEMORANDUM FOR: Mr. [✓]Dulles

I apologize for confusing the White House with the Capitol in our discussion of the distance of these two buildings from the U. S. Soldiers' Home this morning. I looked at the Soldiers' Home area this afternoon and the time-distance factors involved in connection with these two locations are approximately as follows:

- a. From entrance to the area at the junction of Michigan Avenue and N.W. 1st Street to Capitol:

2.4 miles 10 min traveling time

- b. From the Capitol to the White House:

1.4 miles 5 min traveling time

- c. From the ^{W. H.}~~Capitol~~ to CIA Administration Building:

1.2 miles 5 min traveling time
